ANGELOGIC
PLAY

PLAY YOUR GAME. ELEVATE YOUR REALITY.

THE GAME THAT ELEVATES

Angellogic Play

is the fastest, funnest game to **unlock your hidden forces, meet your better angels** and **fight for humanity** — starting with your own.

Built for the **next billion mythic gamers**.

TODAY'S GAMES ARE BROKEN. THE PLAYERS UNSEEN.

- Games offer **escapism** — but not **transformation**.
- Players are trapped in endless loops — without ever seeing their **true potential**.
- Today's players — especially **Gen Z women** — feel **unseen, misread,** and **underserved**.
- They crave **identity, agency,** and **soul-driven self-discovery**.

The Soul Gap is Real

*“Those who feel invisible can now see themselves clearly
— ready to play their own game and elevate their reality.”*

— Mysta Farr, CEO of Angelologic, Inc.

ENTER THE GAME

“My name is Mysta Farr, and I’ve hidden the Astra — the ultimate Easter Egg — somewhere inside the Domsday Angel Universe.”

WILL YOU BE THE ONE TO FIND IT?

UNLOCK THE GATES

To unlock the Astra, players must pass through three celestial gates.
Each gate reveals deeper truths — and opens new realms of play.

Gate 1 – Astra Quiz & Key (Free)

- Discover your **unique angel type**
- Claim your avatar to **unlock hidden powers**

Gate 2 – Angelologic Academy (\$10/mo)

- Train with your **Good, Bad, and Better Angels**
- Rise through ranks: **Cherub → Seraph → Archangel**

Gate 3 – Special Forces Wing (Premium)

- Enter **Ascendancy (Dark Mode)** to battle for the Astra in:
 - FlightDeck (card game)
 - TestFlight (AR MMO)

DOOMSDAY ANGEL UNIVERSE

An overlooked young woman discovers she's at the center of a cosmic war.
And the only thing that can save her is the fallen angel sent to kill her.

This is no side quest. It's the engine.

The **Doomsday Angel Universe** powers the Angelologic Play experience — from the hidden Astra to the cosmic war unfolding behind the veil.

Books, films, and live events **unlock new missions, angel powers,**
and **realms of play.**

Every drop reveals more of the mythos — and brings players deeper into the game.

Transmedia isn't an extension. It's the source code.
